

## **America's CLIMATE CHOICES**

### **PUBLIC DISCUSSION**

**Learn and ask questions about a major,  
Congressionally-requested study by the U.S.  
National Research Council:**

## **America's Climate Choices**

**Chaired by UCLA Professor Albert Carnesale**

**Wednesday, January 13, 2010  
4:00-5:15 pm**

**W Hotel Los Angeles – Westwood  
930 Hilgard Avenue  
Studio 1**

In response to Public Law 110-161, the National Research Council is conducting a series of coordinated activities to study the serious and sweeping issues associated with global climate change and provide advice on the most promising steps and strategies that the nation can take to respond. This public discussion will provide an overview of the study and give audience members from the UCLA community an opportunity to interact with committee members.
